

WIREFRAMES - ASSESSMENT THREE

DANIEL WALLER

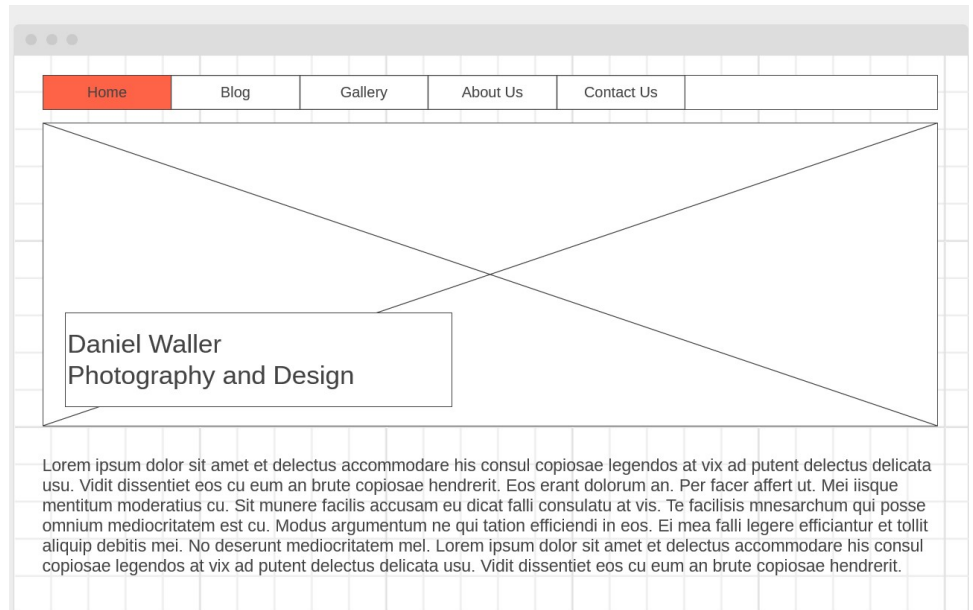

Home Page

Basic monochromatic home page with striking black and white photography and the background with one heading with simplistic view.

Use of a sans serif font to look clean and easy to read.

Basic navbar at the top of the page showing active page in different colour.

Brief introduction on the main page not a lot of text. Keeping the design simple and minimalistic.

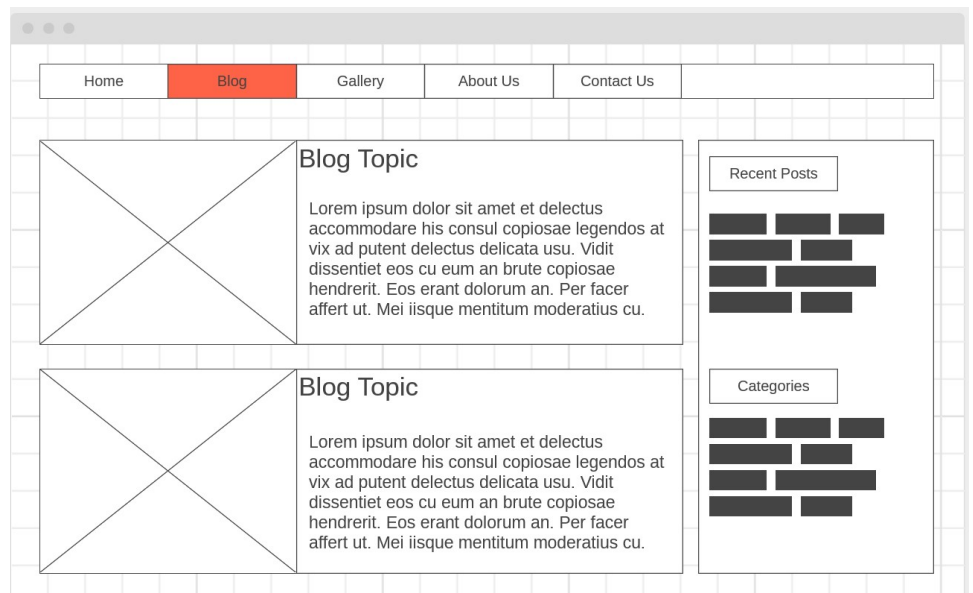

Blog Page

More colour in this page with images associated with each blog topic along with basic blog info and text

Identical navbar to home page.

Use of a sans serif font to look clean and easy to read.

Right side bar with links to recent posts and categories

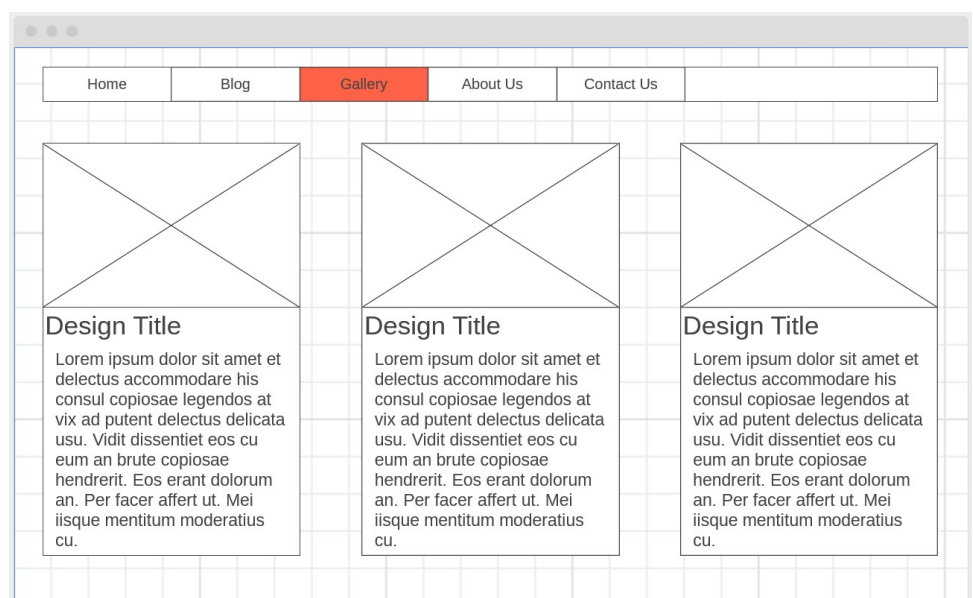

Gallery Page

A colourful page with image tiles and description cards layout like a image gallery with descriptions of the images.

Identical navbar to home page.

Use of a sans serif font to look clean and easy to read.

Animation for hovering over each tile and able to select image for a larger view.

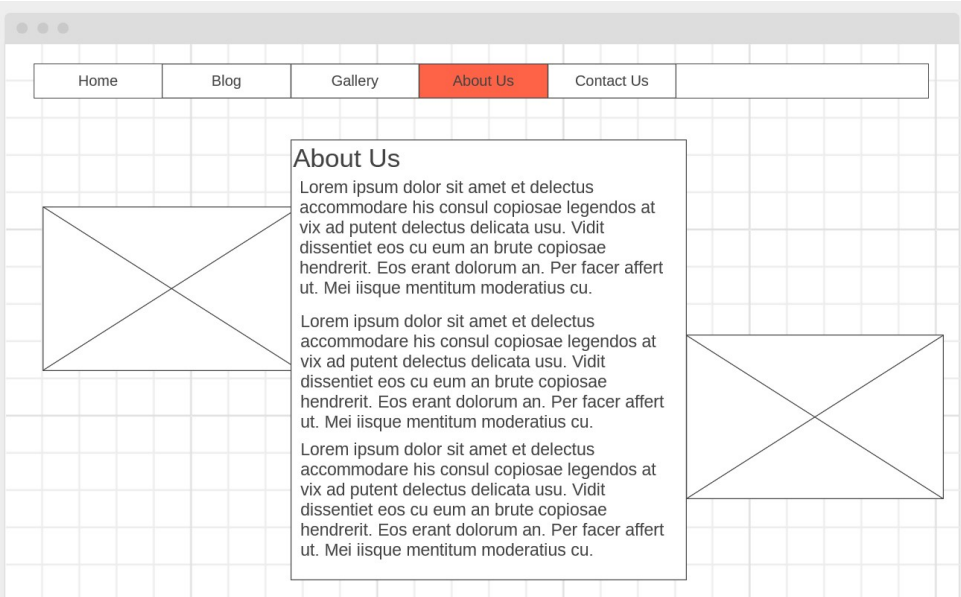

About Us Page

Basic three column layout with images down each side and company overview in the center.

Use of a sans serif font to look clean and easy to read.

Basic navbar at the top of the page showing active page in different colour.

Contact Us Page

Basic three column layout with address and phone information in the first column. A map of the location in the second and a form in the third to contact us with a question

Use of a sans serif font to look clean and easy to read.

Basic navbar at the top of the page showing active page in different colour.
